FOR IMMEDIATE RELEASE

Audience reaction to *Jessie's Landing*--the latest from Many Hats Theatre Company--has been overwhelming! The capacity crowd on opening night honored the cast with a spontaneous standing ovation!

Here's what some audience members were saying:

".....funny, sad and unpredictable....very well done by a duo that shared the stage so, so well!"

"Elyse and Eric were fantastic! It was everything from laugh out loud funny to "where's my Kleenex??" touching. Their authentic and heartfelt performances brought home the interesting dynamics of our most important relationships."

This Western Canadian premiere is the heart warming story of one family almost broken by tragedy that uses wit and wisdom to triumph over their demons.

After four years away, Jessie (Elyse Blais) lands unannounced at her father's front door. She's decided to start a new chapter in her life, but is not quite sure what Harold (Eric Hanston) will think of her decision. But first, Harold has news of his own. He is slowly easing into his first serious relationship since his wife's death.

Jessie's Landing runs on the Cannery Stage in the Cannery Trade Centre 1475 Fairview Road Penticton until December 7. Showtimes are: Thursday, Friday and Saturday at 8:00PM and Sunday at 2:00PM.

Reserved seat tickets are \$22 for adults and \$19 for students and seniors and are available at the Wine Country Visitor's Centre Railway and Eckhardt in Penticton or reserved by phone at 250-276-2170 (toll free 1-800-663-5052.)
